

North Texas Critical Care

CVICU at Baylor University Medical Center

Advanced Practice Provider Position

NTCC is a dedicated, critical care intensivist team delivering quality care within the CVICU at Baylor University Medical Center in Dallas, TX. We provide care within a high acuity unit—treating patients with heart/lung transplants, ECMO, VAD, and after other cardiovascular surgeries.

NTCC Advanced Practice Providers play a vital lead role in the multi-disciplinary team. We routinely perform diagnostic and therapeutic procedures, perform physical exams, order necessary testing and medications, and closely manage care of these post-operative patients in the CVICU setting.

Applicants should have a high level of critical care and/or cardiovascular knowledge, excellent analytic ability, exemplary interpersonal skills, good written and oral communication skills, ability to work as a team member and also autonomously.

Requirements:

- ▶ Graduate of accredited ACNP/AGACNP/CCNS program
- ▶ Board Certified within area of study

- ▶ Current TX APRN licensure
- ▶ Current CPR and ACLS certification
- ▶ Licensure/Eligibility for TX BON, Federal DEA and TX DPS controlled substance registration
- ▶ Critical Care and/or Cardiac Surgery experience highly preferred

In our commitment to provide seamless 24/7 CVICU coverage, this is a full-time opportunity, with rotating shifts including days, nights and weekends. Competitive salary and benefit package available!

Please send CV to:

Maren Wiseheart, ACNP, CCNS
